February 11, 2010

Mr. Héctor Cardona, CACSO President, informed that he and Mr. José Ramón Fernández, President of the Cuban NOC, held a conversation today in which the Cuban NOC president said that Cuba would decide whether they would attend the XXI Games on February 26 of the current year.

Mr. Cardona accepted Cuba's plea and remains hopeful that all 32 of CACSO's member countries will be present for the Mayagüez 2010 games.

For more information, please contact Professor Humberto Cintrón Aybar, CACSO Technical Director.
